## Accueil Vélo is a guarantee for cyclists of an establishment :

Located less than 5 km from a cycling route

With facilities adapted to cyclists: secure bicycle shelter, repair kit, etc.

With a warm welcome (practical information, advice, itineraries, weather, etc.)

**Structures awarded the Vignobles & Découvertes label** have been selected for their high standards and quality, but above all for their commitment to promoting our fine appellations: Hermitage, Saint Joseph and Crozes Hermitage.

This guide presents the services offered by the partners of the Tourist Office 2025. Our partners are listed in alphabetical order by commune within the section. Non-partners are listed at the end of the section in the "But also..." section. For a full list of accommodation, visit [www.ardeche-hermitage.com](http://www.ardeche-hermitage.com).

Prices and descriptions are given as an indication by our partners and have no contractual value. The tourist office cannot be held responsible for any failure to comply with prices or services.

The law of 22/07 insists on the optional and paying nature of classification. Consequently, the fact that an establishment is listed here without classification in no way prejudices its quality of comfort and service, which is different from that of a classified structure.

The applicable tourist tax must be added, which is levied throughout the Ardèche Hermitage area per night and per person (over 18). Accommodation is subject to a tax equivalent to the classification (ask your accommodation provider or ARCHE agglomération for details).
